REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest

With regard to independent claims 1, 14, and 20:

receiving an indication of one or more first communication devices that are to receive one or more invitations to join a communication session with one or more second communication devices, **wherein the one or more invitations comprise a photo and a short message service (SMS) message.**

In addition, Examiner points to the arguments of Applicant's representative (Remarks on 10/16/07; pp. 12 – 14).

2. These limitations, in conjunction with the other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record.

A review of claims 1 – 23 and 25, in view of the Examiner's arguments above, indicates that claims 1 – 23 and 25 are allowable over the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
